Navy Cash[®] Flash 09-13

26 Oct 2009

Purpose: NOTIFICATION OF BARGE SUPPORT

Discussion: For FY10 the Navy Cash Program Office will attempt to provide AIT, L-3 Communications, support for moving Navy Cash equipment to and from barges during CNO availabilities. Integrated Class Maintenance Plan (ICMP) task R-86331-21 will reflect this policy change.

It is not necessary to contact Navy Cash Customer Support as a case does not need to be opened for this effort. L-3 is monitoring availabilities and in most cases will contact ships in Norfolk and San Diego to schedule moves. Barge moves in other CONUS ports will be attempted where it can be combined with other Navy Cash visit requirements such as grooms. If your ship is not contacted by L-3 within 45 days prior to the availability start, the ship should contact the appropriate L-3 personnel.
